

Home Addition Remodeling 5th PR

Elegant Kitchen and Bath Kitchen Remodeling Herndon,VA · September 02, 2026

Herndon, VA — September 2, 2026 — Elegant Kitchen and Bath , a Northern Virginia remodeling company with 22 years of industry experience, today announced the expansion of its home addition and renovation services to better serve homeowners across Herndon and the surrounding communities of Fairfax, Reston, Ashburn, Chantilly, McLean, and Arlington.

As more homeowners in the region choose to invest in their existing properties rather than relocate, demand for skilled, licensed remodeling contractors has grown steadily throughout Northern Virginia. Elegant Kitchen and Bath says the expansion is a direct response to that trend, with the company reporting more than 2,000 completed projects since it was founded.

"Homeowners want more space and better functionality without leaving the neighborhoods they love," a company representative said. "Whether that means a new primary suite, an expanded kitchen, a family room, or a full second story, our focus is on delivering craftsmanship that lasts, with transparent pricing and no hidden fees from the first consultation to the final walkthrough."

The company's Home Addition Remodeling Herndon service covers the full scope of a residential addition, including room additions, primary suite expansions, family rooms, laundry rooms, mudrooms, and screened porches. Each project includes electrical and lighting work, custom cabinetry, countertops and backsplashes, and plumbing, with the company's design team — which brings a combined 16-plus years of experience — guiding clients through cost estimation, permitting, and architectural integration before construction begins.

Alongside home additions, Elegant Kitchen and Bath continues to see strong demand for its Bathroom Remodeling Herndon service, which ranges from minor updates to complete, spa-inspired renovations featuring custom tile work, walk-in showers, vanities, and accessibility-focused designs. The bathroom division has built a five-star rating across more than 80 verified customer reviews on Best Pick Reports

and over 100 positive reviews online.

The company attributes its growth to a streamlined, three-step process — consultation and design, 3D visualization and material selection, and installation — that is designed to keep projects on schedule and within budget. Elegant Kitchen and Bath is a licensed and insured remodeler, a NARI member, and a recipient of the 2024 Best of Houzz Service Award, the Angi Super Service Award, and recognition from ProRemodeler.

Homeowners throughout Herndon and Northern Virginia interested in a home addition, kitchen remodel, or bathroom renovation can request a free estimate through the company's website or by phone.

Elegant Kitchen and Bath is a Herndon, Virginia-based remodeling company with 22 years of experience serving 22 cities and counties across Northern Virginia, from Leesburg to Alexandria. The company specializes in kitchen remodeling, bathroom remodeling, basement remodeling, home additions, countertops, decking, and pergolas, using premium materials such as Cambria, Granite, MSI Quartz, and Silestone.
