PRESS RELEASE

Elegant Kitchen and Bath Completes 500th Basement Remodeling Project Across Northern Virginia

Elegant Kitchen and Bath

January 14, 2026

Award-Winning Herndon Contractor Expands Basement Transformation Services to Meet Growing Demand in Reston, Ashburn, and Sterling

Elegant Kitchen and Bath, Northern Virginia's premier home remodeling company, today announced the completion of its 500th basement remodeling project, marking a significant milestone in the company's 15-year commitment to transforming underutilized spaces into functional, beautiful living areas for homeowners across Fairfax and Loudoun Counties.

Elegant Kitchen and Bath specializes in converting unfinished basements into custom living spaces, home offices, entertainment areas, and income-generating rental units throughout Herndon, Reston, Ashburn, Sterling, and surrounding communities.

The company's basement remodeling services have experienced a 45% increase in demand over the past year, driven by homeowners seeking to maximize their existing square footage rather than relocating or building costly additions. From the initial 3D design consultation through final installation, Elegant Kitchen and Bath provides turnkey basement finishing solutions that comply with all Virginia building codes and regulations.

"Reaching our 500th basement remodeling project is a testament to the trust Northern Virginia homeowners place in our craftsmanship," said Tayfun Yilmaz, Lead Designer at Elegant Kitchen and Bath. "Every basement we transform represents a family's vision for additional living space, whether that's a home theater, guest suite, home gym, or rental apartment. We take pride in maximizing the potential of every square foot while ensuring quality that lasts for generations."

Elegant Kitchen and Bath offers complete basement transformation services, including structural assessment, waterproofing, framing, electrical and plumbing installation, custom cabinetry, countertops, flooring, lighting design, and finishing touches. The company's licensed and insured team handles all aspects of basement renovation, from permits to final walkthrough.

Recent basement remodeling projects completed by Elegant Kitchen and Bath include a luxury wine cellar in Centreville, a modern home office suite in Purcellville, a multi-functional entertainment space in McLean, and a rental-ready basement apartment in Alexandria.

Elegant Kitchen and Bath has earned multiple industry awards, including the Best of Houzz Service Award for five consecutive years (2019-2024), Angi Super Service Award 2020, and maintains an A rating with the Better Business Bureau. The company is a proud member of the National Association of the Remodeling Industry (NARI) and partners with premium brands including Cambria, Kohler, Delta, and Silestone.

With over 259 five-star reviews on Google, customers consistently praise Elegant Kitchen and Bath for transparent pricing, exceptional communication, skilled craftsmanship, and on-time project completion. The company's showroom in Herndon allows homeowners to view materials, meet with designers, and visualize their basement transformation before construction begins.

Elegant Kitchen and Bath provides basement remodeling services throughout Northern Virginia, including Herndon, Chantilly, Centreville, Reston, Sterling, Great Falls, Ashburn, Fairfax, McLean, Manassas, Haymarket, Burke, Vienna, Falls Church, Annandale, Springfield, Alexandria, Arlington, Leesburg, South Riding, Oakton, and Brambleton.

According to the company's design team, top basement remodeling trends for 2025 include multi-purpose flex spaces that accommodate remote work and recreation, climate-controlled wine cellars, dedicated home gyms with mirrored walls and rubber flooring, and accessory dwelling units (ADUs) designed for rental income or multigenerational living.

"Homeowners are increasingly recognizing their basement's potential to add both livable space and property value," added Enes Kara, Project Manager at Elegant Kitchen and Bath. "We're seeing savvy Virginia homeowners invest in basement remodeling as a strategic alternative to moving, especially with current real estate prices. A professionally finished basement can deliver 70-75% return on investment."

Elegant Kitchen and Bath offers complimentary in-home consultations for homeowners considering basement remodeling. The company's design team conducts thorough assessments, provides 3D renderings, and delivers detailed project estimates with transparent pricing and no hidden fees.
