Elegant Kitchen and Bath

January 31, 2024

Elegant Kitchen and Bath, a home improvement contractor based in Herndon, VA, is helping homeowners maximize the usefulness of their unfinished basement spaces.

With over 15 years of combined experience and knowledge, Elegant Kitchen and Bath has established itself as Northern Virginia's leading kitchen, bathroom, and basement remodeling company. The company has a professional sales and design team that engages clients to understand their functional and aesthetic needs and offers design solutions that meet all their requirements. The company serves customers in Herndon, Chantilly, Ashburn, Leesburg, Alexandria, Fairfax, Great Falls, McLean, Centreville, Gainesville, and surrounding areas.

The Herndon remodeling contractor can handle everything from simple renovations to full basement transformations. Some of the interior setups that the company can help homeowners add to their basements include home theaters, game rooms, home gyms, guest suites, home offices, wine cellars, art studios, playrooms, multi-purpose rooms, reading nooks, indoor bars, meditation or yoga rooms, music studios, tech hubs, sauna or spa retreats, and much more.

From the initial consultation to the design, material selection, and installation, the company's staff will be ready to provide updates and answer all the questions that homeowners have. Elegant Kitchen and Bath's experienced crew members know how to complete basement remodels while taking into consideration the unique requirements of working in an underground space. This includes moisture control, adequate insulation, ventilation, adhering to building codes and permits, adequate ceiling heights, egress windows, plumbing considerations, electrical wiring, accessibility, natural light, flooring, emergency exits, heating and cooling, soundproofing, and more.

Homeowners can rest assured that Elegant Kitchen and Bath will only use high-quality materials with industry-standard construction techniques to bring its unique basement renovation designs to life. The final result is crafted to not only be aesthetically appealing but also dramatically increase the functionality and utility of the often-unused basement space.

Elegant Kitchen and Bath's customer-centric approach has yielded overwhelmingly positive results for the Northern Virginia home improvement contractor. The company boasts a perfect overall rating of 5.0 out of 5.0 on its Google Business Profile from over 100 reviews with customers praising it for its communicative project managers, professional and friendly crew members, and the quality of their craftsmanship.

A recent review of its services from a homeowner who opted for a basement remodel says, “My husband and I recently decided on a renovation of our basement, wishing to add a full bath and two bedrooms. After obtaining three estimates we chose Elegant Kitchen and Bath… this turned out to be one of the best decisions we've made of late. From start to finish (ahead of schedule and on budget) the supervision and renovation crews were first-rate!”

The review continues, “On time in the mornings, working as late as necessary, and on Saturdays, the guys converted our unfinished basement into luxury quality living quarters. We can unreservedly recommend Elegant, Enes (project manager), Oscar, Israel, David, Martin, and the entire group for your next home renovation project. These gentlemen set the bar!”
