PRESS RELEASE

GBC Kitchen and Bath Announces Comprehensive Remodeling Services for Northern Virginia Homeowners

GBC Kitchen and Bath Alexandria

July 06, 2026

GBC Kitchen and Bath, a home renovation company serving Northern Virginia since 2008, announces its full-service approach to kitchen and bathroom renovations for homeowners throughout the region. The company's comprehensive project management system addresses the growing demand for streamlined home improvement services that eliminate the need for multiple contractors.

The announcement comes as homeowners increasingly seek single-source solutions for their renovation projects. GBC Kitchen and Bath provides complete project management from initial design consultation through final installation, including 3D visualization, permit handling, product selection, and professional installation services. The company maintains showrooms in Alexandria, Ashburn, Rockville, and Columbia to serve clients across Virginia, Maryland, and Washington D.C.

The company's Kitchen remodeling Alexandria VA services encompass complete transformations of cooking spaces, incorporating modern design elements with functional layouts. Each project begins with professional design consultation, where clients work with specialists to develop customized plans that reflect their lifestyle needs and aesthetic preferences. The team handles all aspects of the renovation, including cabinetry installation, countertop selection, flooring upgrades, and appliance integration.

"Homeowners today want a renovation experience that minimizes stress while delivering exceptional results," said Esin Mills, Director of Operations at GBC Kitchen and Bath. "Our integrated approach means clients work with one dedicated project manager throughout their entire renovation, ensuring clear communication and consistent quality from concept to completion."

Bathroom remodeling Alexandria va projects follow the same comprehensive approach, creating tranquil spaces tailored to each client's requirements. Services range from simple updates to complete overhauls, including steam shower installations, vanity replacements, and accessibility modifications. The company's in-house installation teams ensure consistent workmanship across all project phases.

The company has completed projects for more than 6,000 customers across the region over its 14-year history. All kitchen and bathroom projects include a two-year workmanship warranty, reflecting the company's commitment to quality and customer satisfaction. The firm maintains full licensing, insurance, and bonding in all jurisdictions it serves.

Recognition for GBC Kitchen and Bath includes awards from Angie's List and Houzz as a trusted home improvement contractor, along with accreditation from the National Association of the Remodeling Industry. The company has also been featured in The Washington Post for its renovation work.

Custom Cabinets Alexandria va solutions represent a significant component of the company's service portfolio. GBC Kitchen and Bath offers extensive cabinet options for both kitchens and bathrooms, with professional installation that enhances both functionality and visual appeal. The selection includes various styles, finishes, and configurations to accommodate diverse design preferences and spatial requirements.
