GBC Kitchen and Bath Announces Expanded Remodeling Services for Ashburn Homeowners

GBC Kitchen and Bath - Ashburn

March 05, 2026

GBC Kitchen and Bath, a premier remodeling contractor serving Northern Virginia since 2008, announces the expansion of its comprehensive renovation services to meet growing demand from homeowners seeking professional kitchen and bathroom transformations in the Ashburn area.

GBC Kitchen and Bath Ashburn specializes in transforming outdated kitchens and bathrooms into modern, functional spaces that can reflect unique style and needs. The company's approach combines advanced 3D design technology with traditional craftsmanship, allowing clients to visualize their completed projects before construction begins.

The company, which operates from its showroom at 44031 Ashburn Shopping Plaza, has enhanced its service offerings to provide complete project management from initial design consultation through final installation. This expansion addresses the increasing need for reliable, full-service remodeling solutions as more homeowners invest in updating their living spaces.

"We've seen tremendous growth in demand for kitchen remodeling Ashburn VA, residents are seeking, particularly as homeowners recognize the value that professional renovations bring to their properties," said Alan Karakas, President of GBC Kitchen and Bath. "Our expanded services ensure that every aspect of the renovation process is handled by experienced professionals, from securing permits to the final walkthrough."

Beyond kitchen renovations, the company offers comprehensive bathroom remodeling and basement transformation services. Their team of professional designers creates custom solutions tailored to each client's lifestyle, incorporating high-quality materials selected for both durability and aesthetic appeal. The company serves numerous communities within a 30-mile radius, including Leesburg, Herndon, Chantilly, Centreville, Reston, Sterling, Great Falls, Fairfax, and McLean.

To make renovations more accessible, the company provides flexible financing options, including low-interest loans, same-as-cash programs, and extended payment plans. This approach has helped the company serve over 6,000 customers across Virginia, Maryland, and Washington D.C., earning recognition, including the Best of Houzz award in 2016 and the Angie's List Super Service award in 2015.

The GBC ktchen remodeling company distinguishes itself through its commitment to using in-house installers rather than subcontractors, ensuring consistent quality control throughout each project. Each renovation is overseen by a dedicated project manager who maintains daily communication with clients and coordinates all aspects of the work, including dust barrier installation and floor protection to minimize disruption to the household.

The company's comprehensive service model includes handling all permit applications, plan submissions, and inspection coordination to ensure projects meet local building codes and safety requirements. This full-service approach eliminates the need for homeowners to coordinate multiple contractors, streamlining the renovation process.

GBC Kitchen and Bath maintains its commitment to quality through a two-year workmanship warranty on all projects. The company's licensed, insured, and bonded status provides additional peace of mind for homeowners undertaking significant renovation projects.

Established in 2008, GBC Kitchen and Bath has built its reputation on delivering personalized renovation solutions that combine innovative design with expert craftsmanship. The company continues to serve as a partner for homeowners throughout Northern Virginia seeking to enhance their living spaces through professional remodeling services.
