PRESS RELEASE

GBC Kitchen and Bath - Ashburn Expands Bathroom Remodeling Services to Belmont Residents

GBC Kitchen and Bath - Ashburn

November 10, 2025

GBC Kitchen and Bath - Ashburn, a remodeling company serving Virginia, Maryland, and Washington D.C., announces expanded bathroom remodeling services specifically tailored for Belmont area homeowners. The company brings over 14 years of industry expertise and a proven track record of more than 6,000 satisfied customers to the Belmont community.

The expansion addresses growing demand for professional bathroom renovation services in the Belmont area, where homeowners increasingly seek reliable contractors who can deliver comprehensive remodeling solutions. GBC Kitchen and Bath - Ashburn distinguishes itself through its full-service approach, managing every aspect of bathroom renovation from initial 3D design concepts through final installation.

" Bathroom Remodeling Belmont residents deserve requires not just technical expertise, but a deep understanding of how to transform these essential spaces into personal sanctuaries," said Burak Sahin, Lead Designer at GBC Kitchen and Bath - Ashburn. "Our team combines professional craftsmanship with personalized service to ensure each project reflects the unique vision and lifestyle of our clients while maintaining the highest standards of quality and functionality."

The company's comprehensive bathroom remodeling services encompass complete project management, including permit acquisition, product selection, and professional installation. Unlike many competitors who rely on subcontractors, GBC Bathroom Remodeling Belmont projects are completed entirely by in-house installers, ensuring consistent quality control and accountability throughout the renovation process.

Each bathroom renovation project begins with a detailed consultation where clients work directly with experienced designers to explore options for vanities, countertops, flooring, and specialty features such as steam showers. The company's 3D design services enable homeowners to visualize their completed bathroom before construction begins, eliminating uncertainty and ensuring complete satisfaction with the planned renovation.

GBC Kitchen and Bath - Ashburn has earned recognition as a trusted Bath Remodel Contractor through numerous industry accolades, including Best of Houzz 2016 and Angie's List Super Service Award 2015. The company maintains full licensing, insurance, and bonding in all counties it serves, providing additional peace of mind for homeowners undertaking renovation projects.

The company's commitment to customer satisfaction extends beyond project completion through its two-year workmanship warranty on all installations. This comprehensive coverage demonstrates confidence in both the quality of materials used and the expertise of the installation team. Dedicated project managers assigned to each renovation ensure clear communication and transparent progress updates throughout the remodeling process.

Financing options are available to make bathroom renovations accessible to a broader range of homeowners, allowing clients to proceed with their desired improvements without compromising on quality or design preferences.
