PRESS RELEASE

GBC Kitchen and Bath Expands Kitchen Remodeling Services to Ashburn and Franklin Farm

GBC Kitchen and Bath - Ashburn

September 24, 2024

GBC Kitchen and Bath is growing its services in the Ashburn, Virginia area. The company, well-regarded for its work in kitchen, bathroom, and basement remodeling, aims to better serve homeowners, real estate professionals, interior designers, and contractors. This expansion will include a wide range of offerings, such as cabinets, countertops, vanities, flooring, and steam showers. GBC Kitchen and Bath Remodeling Ashburn has firmly established itself in the home renovation market.

One standout feature of GBC Kitchen and Bath is its advanced 3D design technology. This tool allows clients to see detailed renderings of their remodeling plans before any work starts. The company has received several accolades for this innovative approach, including the Best of Houzz 2016 and Angie's List Super Service 2015 awards. Alan Karakas, CEO of GBC Kitchen and Bath, shared, "We are excited to enhance our offerings in Ashburn and neighboring areas. Our team is committed to providing top-notch service, ensuring every project meets the highest standards." He added, "Our 3D design services and experienced team assure our clients that their visions will be brought to life precisely as they envision them."

GBC Kitchen and Bath offers a range of comprehensive services, transforming kitchens, bathrooms, and basements into useful and beautiful spaces. When it comes to kitchen remodeling in Franklin Farm and other areas, the company provides personalized consultations to fully understand each client's vision. Dedicated project managers oversee all aspects of the project, ensuring a smooth remodeling experience from start to finish.

The company prides itself on high standards by employing a skilled, in-house team of licensed and insured professionals. This approach ensures that all work meets strict quality criteria without the need for subcontractors. Each project includes a two-year workmanship warranty, reflecting the company's confidence in their work. With over 20 years of experience and more than 6,000 satisfied customers, GBC Kitchen and Bath has garnered numerous 5-star ratings and positive reviews.

For homeowners concerned about the cost, GBC Kitchen and Bath offers financing options to make remodeling more accessible. These financial solutions help clients achieve their renovation goals without excessive financial strain. This means homeowners can update their spaces while managing costs more effectively.

Burak Sahin, the Lead Designer at GBC Kitchen and Bath, noted, "Our design process is highly collaborative. We work closely with our clients to ensure that the end result is both beautiful and functional. It's satisfying to see their dreams come to life in a space they will use and enjoy every day."
