PRESS RELEASE

GBC Kitchen & Bath Ashburn Expands Bathroom Remodeling Services Across Northern Virginia

GBC Kitchen and Bath - Ashburn

August 26, 2024

GBC Kitchen & Bath, a well-known remodeling company in Ashburn, Virginia, is excited to announce the expansion of its bathroom remodeling services in Northern Virginia. Known for transforming kitchens, bathrooms, and basements, the company now offers more service areas and new design options to meet the needs of homeowners, real estate professionals, interior designers, and contractors.

Alan Karakas, CEO of GBC Kitchen & Bath, emphasized the company's dedication to quality work and customer satisfaction. "We are thrilled to extend our bathroom remodeling services in Northern Virginia, providing our clients with top-notch service and fresh design solutions," Karakas stated. "Our team is committed to making sure every project meets our high standards and adds comfort and value to our clients' homes."

GBC Kitchen and Bath Ashburn provides a wide range of bathroom remodeling services designed to create peaceful and practical spaces that fit different lifestyles. The services include custom vanities, countertops, steam showers, and various flooring options like hardwood, laminate, and tile. With in-house installers and dedicated project managers, they work closely with clients to bring their vision from concept to reality.

In addition to bathroom services, GBC Kitchen and Bath Ashburn also offers a broad selection of cabinets to match different styles and budgets. Clients can get expert advice to choose the best cabinets for their kitchen or bathroom. They also provide a variety of countertop materials, including granite and other natural stones, to complete the overall design.

GBC Kitchen & Bath's kitchen remodeling services encompass comprehensive solutions to revitalize the heart of any home. They handle every aspect from design to installation, ensuring a hassle-free experience that brings clients' visions to life. Their expertise extends beyond kitchens and bathrooms, as they specialize in transforming basements into functional spaces, such as entertainment rooms, storage areas, or basement apartments. More can be found about their various offerings and past projects on the company's website.

The company's bathroom remodeling GBC services include the latest design trends and technologies. They specialize in creating spa-like experiences with steam showers, adding a touch of luxury to any bathroom. The use of 3D design services allows clients to see detailed visuals of their projects before work starts, ensuring accuracy and precision in execution.

GBC Kitchen & Bath serves many areas, including Ashburn, Leesburg, Herndon, Chantilly, Centreville, Reston, Sterling, Great Falls, Fairfax, McLean, and other locations within a 30-mile radius. These expanded service areas mean that more homeowners can take advantage of the company's respected services.

The commitment to excellence has won the company awards such as Best of Houzz 2016 and Angie's List Super Service 2015. They have also been recognized by The Washington Post. With NARI accreditation and over 6,000 happy customers, GBC Kitchen and Bath Ashburn is a trusted name in the remodeling industry.

To make remodeling projects more affordable, GBC offers financing options. This ensures that more homeowners can get the renovations they want without financial stress. Potential clients can visit the Ashburn showroom for personalized consultations.

Karakas added, "Bathroom renovations are key to boosting both the value and comfort of a home. At GBC Kitchen and Bath Ashburn, we focus on delivering custom solutions that meet our clients' specific needs and tastes."

For more than ten years, GBC Kitchen and Bath Ashburn has built a solid reputation for quality work and customer satisfaction. They are fully licensed, insured, and bonded, providing peace of mind to clients across Northern Virginia. Their two-year workmanship warranty also highlights their commitment to quality.

To find out more about GBC's bathroom remodeling services in Northern Virginia, clients can visit the official website. For detailed information or to set up a consultation, interested parties can visit the bathroom remodeling services Northern Virginia page.

This new expansion shows GBC Kitchen & Bath's dedication to providing excellent remodeling services and ensuring their clients are happy. By expanding their service areas and improving their offerings, GBC Kitchen and Bath Ashburn continues to be a top choice for homeowners looking for expert remodeling services.
