PRESS RELEASE

GBC Kitchen & Bath Opens Ashburn Showroom to Elevate Kitchen Cabinets in Leesburg, VA

GBC Kitchen and Bath - Ashburn

December 13, 2024

GBC Kitchen & Bath has opened a new showroom in Ashburn, Virginia, aiming to broaden the options for kitchen and bathroom remodeling for both homeowners and professionals in the area. This display center showcases the company's commitment to providing top-notch design solutions and further establishes its role in the home remodeling sector. More details about their services can be found on their website at gbckitchenandbath.com.

The showroom in Ashburn is set up as a resourceful spot for anyone thinking about remodeling. It presents various styles and materials to match different tastes and budgets. Visitors can check out interactive displays that feature design combinations, helping them better visualize their projects. Plus, expert advice on GBC kitchen remodeling is always on hand, covering every practical detail. Their full range of kitchen remodeling services can also be explored online at gbckitchenandbath.com/kitchen-remodeling.

"We're excited to bring our expertise and top-tier service to Ashburn," said Burak Sahin from GBC Kitchen & Bath. "Our showroom reflects our passion for turning remodeling dreams into reality, and we're eager to connect with our new community."

Beyond Ashburn, GBC Kitchen & Bath continues to offer premium kitchen cabinet services in Leesburg, Virginia. Their services for kitchen cabinets Leesburg VA include personalized consultations, creative design, and skilled installation. They transform kitchens into functional and visually stunning spaces. Their services also cover bathroom and basement remodeling, highlighted by a two-year workmanship warranty that shows their promise of quality. Discover more about their bathroom remodeling solutions at gbckitchenandbath.com/bathroom-remodeling and basement transformations at gbckitchenandbath.com/basement-remodeling.

One of the standout features of GBC Kitchen & Bath is their 3D design service, which helps clients, including homeowners and designers, visualize their projects. This service provides a detailed view of spaces before construction begins. Together with financing options, GBC Kitchen & Bath makes the remodeling process accessible and simple for everyone.

The company serves areas like Ashburn, Leesburg, Herndon, Chantilly, Centreville, Reston, Sterling, Great Falls, Fairfax, McLean, and more within a 30-mile radius. Known for over 6,000 satisfied clients, they have received accolades, such as the Best of Houzz 2016 and Angie's List Super Service 2015, and have been featured in the Washington Post.

Burak Sahin shares, "Each kitchen cabinet project is unique, created to align with our clients' personal preferences and functional needs. We work closely with each client to deliver both beautiful and practical kitchen spaces."

GBC Kitchen & Bath credits its success to an in-house team of licensed and insured professionals. They don't rely on external subcontractors, guaranteeing each project benefits from specialized expertise, precise installation, and exceptional craftsmanship. Explore their cabinet options at gbckitchenandbath.com/cabinets and countertops at gbckitchenandbath.com/countertops.

With more than 20 years of experience in kitchen cabinet design and installation, GBC Kitchen & Bath's skills are reinforced by a craftsmanship warranty. This demonstrates their dedication to quality and customer satisfaction. Each project has a dedicated manager ensuring a seamless process from beginning to end, focusing on custom solutions that match clients' visions and needs.

Prospective clients are encouraged to visit the Ashburn showroom and explore the available resources. They extend a special invitation to those interested in personalized consultations on GBC Kitchen and Bath Remodeling Leesburg , allowing them to rethink kitchen storage and design for more functional and pleasing cooking spaces.
