PRESS RELEASE

GBC Kitchen and Bath Columbia LLC Expands Full-Service Remodeling Solutions to Meet Growing Demand

GBC Kitchen and Bath - Columbia

February 03, 2026

GBC Kitchen and Bath Columbia LLC, a home renovation specialist serving Howard County and the greater Maryland area, announces the expansion of its comprehensive remodeling services to accommodate increasing demand from homeowners seeking professional renovation solutions. The company's Columbia showroom now offers enhanced design consultation services and expanded product selections for kitchen, bathroom, and basement renovations.

The expansion comes as the company marks over 14 years of serving the Maryland, Virginia, and Washington D.C. metropolitan areas, having completed more than 6,000 successful renovation projects. The Columbia location at 9204 Berger Rd Suite E serves as a central hub for homeowners throughout Howard County who are planning home improvement projects.

"We're seeing interest from homeowners who want comprehensive renovation solutions rather than managing multiple contractors," said a representative from the Columbia Showroom. "Our full-service approach, from initial 3D design visualization through final installation, eliminates the stress and complexity traditionally associated with home remodeling projects."

The company specializes in Kitchen Remodeling Columbia residents have relied on for over a decade, offering complete transformation services that include custom cabinetry, countertop installation, and professional design consultation. Each project begins with a detailed consultation where homeowners can explore design options and materials, followed by comprehensive project planning that includes permit handling and timeline development.

For Bathroom Remodeling Columbia homeowners benefit from the company's expertise in creating functional and aesthetically pleasing spaces. Services range from fixture updates to complete bathroom overhauls, including steam shower installations and custom vanity solutions. The company's design team works closely with clients to ensure each renovation meets both practical needs and design preferences.

Basement Remodeling services have become increasingly popular as homeowners seek to maximize their living space. GBC Kitchen and Bath Columbia LLC transforms underutilized basements into entertainment rooms, home offices, or additional living quarters, providing comprehensive solutions that include flooring, lighting, and custom storage systems.

The company distinguishes itself through its commitment to using in-house installers rather than subcontractors, ensuring consistent quality and accountability throughout each project. Every renovation includes a dedicated project manager who oversees the entire process, maintaining clear communication with homeowners from start to finish.

"Our two-year workmanship warranty reflects our confidence in the quality of our installations and our commitment to customer satisfaction," added the Columbia Showroom representative. "We handle every aspect of the renovation process, including permits and regulations, cleanup, and disposal, so homeowners can focus on enjoying their newly transformed spaces."

The Columbia showroom features extensive displays of cabinet styles, countertop materials, flooring options, and design elements, allowing customers to visualize their renovation projects before work begins. The facility serves as a resource center where homeowners can explore current design trends and receive expert guidance on material selection and project planning.
