PRESS RELEASE

# Happy Smiles Dental Expands to Offer One Office For All Dental Services & Sedation Dentistry

Happy Smiles Dental Clinic

June 11, 2024

Happy Smiles Dental has announced that it is expanding its comprehensive dental services to better serve the residents of Frederick and Montgomery counties. This move aims to give patients better access to a wider range of dental care options, including family and cosmetic dentistry, as well as sedation services.

Led by Dr. Alireza Hamidzadeh, DDS, MS, Happy Smiles Dental offers a variety of treatments designed to take care of many dental health needs. Dr. Hamidzadeh, who trained in the U.S. Army, has extensive education and over a decade of practical experience. Besides his role at Happy Smiles Dental, he also teaches at Walter Reed National Medical Center as an adjunct professor.

Happy Smiles Dental offers many family dentistry services, including oral surgery, same-day treatments, emergency dental care, teeth-in-a-day, root canals, exams, and sedation dentistry. For patients who feel anxious about dental procedures, sedation dentistry can help them feel at ease, making dental care accessible to a wider range of people.

The practice also has a suite of cosmetic dentistry services, such as facial cosmetic injectables, treatment for obstructive sleep apnea, cleaning and whitening, veneers and crowns, tooth implants, dentures, and Invisalign®. These services aim to improve both the health and look of patients' teeth and smiles.

The clinic has invested significantly in state-of-the-art dental implant technology, showing its commitment to technological advancement. Happy Smiles Dental is recognized as a leading implant dentist near Clarksburg , offering patients solutions for missing teeth that both look and function like natural teeth.

Dr. Hamidzadeh highlighted the importance of having a full range of dental services in one place. "Our goal at Happy Smiles Dental is to be a one-stop-shop for all dental needs — from routine exams to complex surgeries. We aim to provide our patients with the convenience and comprehensive care they deserve," said Dr. Hamidzadeh. "By offering both general and specialized dental services, we ensure that our patients receive personalized, high-quality treatment."

For more information on the specialized services offered, such as tooth implants, interested individuals can visit the Happy Smiles Implant Dentist site.

For residents of Clarksburg and Urbana, Maryland, Happy Smiles Dental offers an easily accessible location with convenient working hours. The clinic operates on Tuesday and Thursday from 8:00 AM to 5:00 PM, Wednesday and Friday from 8:00 AM to 3:00 PM, and Saturday from 8:00 AM to 2:00 PM. The clinic is closed on Sunday and Monday, giving patients many opportunities to schedule appointments that fit their busy lives.

Dr. Hamidzadeh’s military service has also influenced his approach to patient care. "My background in the U.S. Army has taught me the importance of discipline, precision, and dedication, values that I bring to my practice every day. Our team is committed to delivering the highest standards of dental care to our community," he stated.

With a wide array of services such as tooth extraction, root canal treatments, dental implants, and obstructive sleep apnea treatments, Happy Smiles Dental has positioned itself as a comprehensive provider for all dental needs in the area. The clinic’s dedication to delivering excellence in dental services stretches across several locations, including Frederick, Germantown, Gaithersburg, and Hyattstown, with reach into Pennsylvania, Virginia, West Virginia, and Washington DC.

Specific details on services such as dental implants can be found at the clinic’s main website, where patients can learn more about the range of treatments available and make informed choices regarding their dental health.

The clinic emphasizes its commitment to patient safety and personalized care, following strict protocols and sterilization measures. From the first consultation to post-procedure care, patients are supported at every step of their treatment journey.

Happy Smiles Dental has invested in modern dental technology and equipment to ensure that patients receive top-notch care. The use of advanced techniques and tools allows for more accurate diagnoses, efficient treatments, and better patient outcomes.

"We take pride in offering the best dental services in the region," added Dr. Hamidzadeh. "With our comprehensive range of services and state-of-the-art technology, patients can trust that they are receiving top-tier care from our experienced team."
