FOUNTAIN VALLEY, CA – September 13, 2026 – Istanbul Grill California, a Mediterranean restaurant and catering company, is highlighting the full range of its Turkish kebab menu as it continues to meet demand for authentic Mediterranean cuisine across Orange County. The announcement follows the restaurant's expanded restaurant services covering dine-in, takeout, delivery, and catering, reinforcing its role as a source for traditional Turkish cooking in Southern California. The restaurant has served Orange County guests for several years, building a reputation for made-to-order Turkish dishes prepared with traditional recipes.

At the center of the menu is a wide selection of charcoal-grilled kebabs, including chicken, lamb, ribeye, kofte, doner, and adana varieties, each prepared using traditional Turkish grilling methods. Portions range from single entrees to family-style platters designed for sharing at larger gatherings. The restaurant uses fresh, non-processed ingredients across its menu and maintains halal certification for guests seeking dishes that meet halal dietary requirements.

Beyond kebabs, the menu includes hot and cold appetizers such as hummus, baba ganoush, dolmas, and falafel, along with traditional soups and salads. House specialties include chicken and lamb sautes, shepherd casserole, and okra stew, while a seafood option features grilled salmon fillet with dill sauce. Vegetarian dishes and a children's menu are also available, giving guests with varied dietary preferences options to choose from. The menu closes with Turkish desserts, including baklava, kunafa, rice pudding, and almond pudding, alongside beverages such as ayran and Turkish tea.

"Every dish on our menu reflects the techniques and flavors of traditional Turkish cooking," said a representative of Istanbul Grill California. "Whether guests order a single kebab plate or book catering for a large event, we want them to experience the same quality and hospitality found in Istanbul."

The restaurant's catering division serves corporate events, weddings, and private parties throughout Orange County, with customizable menus based on its core kebab and meze offerings. Catering clients can choose individual or group-style portions, and the team works directly with clients to plan menus in advance while maintaining the same halal-certified, made-to-order standards used in the restaurant.

Istanbul Grill California is located at 18010 Newhope St Suite D, and continues to rank among local results for halal food searches across Orange County. In addition to dine-in and takeout, orders can also be placed through DoorDash for delivery across the surrounding area. Guests can review the full Turkish kebab menu and place orders for dine-in, takeout, delivery, or catering through the restaurant's website or by contacting the team directly.
