PRESS RELEASE

Istanbul Grill Catering Expands Baby Shower Menu Options with Traditional Mediterranean Dishes

Istanbul Grill Catering & Event Venue

March 04, 2026

Istanbul Grill Catering, a halal-certified Mediterranean and Turkish catering company based in Fountain Valley, California, has expanded its catering menu to include specialized options for baby shower celebrations, introducing new appetizer platters and dessert selections designed to accommodate intimate gatherings and larger celebrations across Orange County.

The expanded Baby Shower Catering menu features traditional Mediterranean dishes prepared with halal-certified ingredients, offering expectant parents and their guests authentic Turkish cuisine options that accommodate various dietary preferences. The new offerings include smaller-portioned appetizer trays, expanded vegetarian selections, and traditional Turkish desserts such as baklava and sutlac, specifically curated for daytime celebrations.

The catering expansion addresses growing demand for diverse Event Catering options that move beyond standard party fare. Each catering tray serves ten guests and includes protein selections, rice pilaf, fresh salads, and warm pita bread, providing complete meal service for celebrations of any size. The company maintains its four-hour lead time for orders, with delivery available throughout Orange County, Los Angeles County, and Riverside County.

"Baby shower celebrations deserve cuisine that brings families together while honoring cultural traditions," said a spokesperson for Istanbul Grill Catering. "Our expanded menu allows hosts to offer their guests authentic Mediterranean flavors in portions and presentations suited for these special occasions, whether they're planning an intimate gathering or a larger celebration."

The enhanced menu includes cold appetizer options such as hummus, baba ghanoush, and stuffed grape leaves, alongside hot selections including falafel, spinach borek, and cheese rolls. Main course offerings feature the company's signature kebab platters, including Chicken Shish Kebab, Lamb Adana Kebab, and vegetarian options such as the Vegetarian Okra Stew. Each dish undergoes preparation in the company's halal-certified kitchen, ensuring compliance with Islamic dietary standards.

Catering Services in Fountain Valley have evolved to meet the diverse needs of Southern California's multicultural communities, with Istanbul Grill Catering serving as an example of this culinary expansion. The company's online ordering system allows event hosts to customize their selections, accommodating specific dietary requirements, including vegan, vegetarian, and gluten-free options.

The timing of the menu expansion coincides with increased demand for professional catering services that offer alternatives to traditional American party food. Mediterranean cuisine provides lighter options suitable for daytime events while maintaining the substantial portions expected at celebration gatherings.

Istanbul Grill Catering has operated in Orange County since 2013, earning recognition, including a 5.0-star Yelp rating and placement in Yelp's Top 100 restaurants in the USA. The family-owned establishment has also received acknowledgment from the California State Assembly and features in OC Weekly. The company maintains both its catering operations and a dine-in restaurant location, offering takeaway services alongside its Event Catering division.

The company requires a minimum order of $300 for delivery services, with free delivery available within a five-mile radius of their Fountain Valley location. Orders beyond this radius incur a charge of two dollars per mile for the full distance. No minimum order requirement exists for pickup orders from their kitchen facility.
