Istanbul Grill Catering , a halal-certified Mediterranean and Turkish catering company based in Fountain Valley, California, has announced the expansion of its catering services to accommodate the increasing demand for authentic Mediterranean cuisine at weddings, corporate gatherings, and private celebrations throughout Orange County and surrounding areas.

The family-owned business, established in 2013, has experienced significant growth in recent months as event planners and hosts seek diverse culinary options that accommodate various dietary requirements while delivering exceptional flavor. The expansion includes enhanced menu offerings, streamlined ordering processes, and increased capacity to serve multiple large-scale events simultaneously.

"The demand for authentic Mediterranean catering has grown tremendously as people discover the rich flavors and healthy options our cuisine offers," said Okan, Founder of Istanbul Grill Catering. "We have invested in expanding our kitchen operations and staff to ensure we can deliver the same quality and authenticity whether serving an intimate gathering or a grand celebration."

The company specializes in Event Catering Fountain Valley and throughout Southern California, offering complete meal packages that include protein-rich kebabs, rice pilaf, fresh salads, and warm pita bread with every catering tray. Each tray serves approximately ten people, making it convenient for hosts to plan meals for events of any size. The menu features signature dishes including Chicken Shish Kebab, Lamb Adana Kebab, Doner Kebab, Ribeye Steak Kebab, and vegetarian options such as falafel and okra stew.

The catering service extends beyond Fountain Valley to include Long Beach, Costa Mesa, Laguna Beach, Downey, Irvine, Orange, Anaheim, Santa Ana, and Huntington Beach. Corporate clients have particularly embraced the convenience of Mediterranean catering for board meetings, training sessions, product launches, and team-building events, appreciating the healthy options and variety offered.

Wedding Catering Fountain Valley CA has become a particular area of focus for the company as couples increasingly seek unique dining experiences that reflect cultural diversity and accommodate guests with varying dietary preferences. The halal-certified kitchen ensures all meals meet strict dietary standards while maintaining the authentic flavors of traditional Turkish and Mediterranean recipes.

To support the expansion, Istanbul Grill Catering has implemented an online ordering system that allows customers to customize their selections and schedule deliveries with a minimum four-hour lead time. The company maintains a $300 minimum for delivery orders and offers free delivery within a five-mile radius of their Fountain Valley location.

The expansion comes as the company has earned recognition including a 4.8-star Google rating and 5.0-star Yelp rating, with placement in Yelp's Top 100 restaurants in the USA. The company has also been featured in OC Weekly and recognized by the California State Assembly for its contributions to the local culinary landscape.

Istanbul Grill Catering continues to offer a 25 percent discount for online catering orders as part of its commitment to making authentic Mediterranean cuisine accessible for all occasions.
