PRESS RELEASE

K&B Cabinets Expands Atlanta Presence with High-Quality Wholesale Kitchen Cabinets

K&B Cabinets Wholesale Center

December 19, 2024

K&B Cabinets Wholesale Center , a well-known supplier of kitchen and bathroom cabinets, is excited to announce its expansion into Atlanta and the nearby counties. Based in Norcross, Georgia, this move allows the company to reach more homeowners and professionals, offering top-quality cabinets at competitive prices. Their extensive product line and detailed service descriptions can be explored on their official website, providing potential customers with a comprehensive insight into their offerings.

This expansion includes important areas like Fulton, DeKalb, Cobb, Gwinnett, and Clayton counties. People in these regions, whether home renovators or professional contractors, can now find a wide range of wholesale kitchen cabinets and bathroom cabinets that fit their styles and needs. From sleek modern designs to timeless classics, K&B Cabinets provides options that can match any taste or functional requirement.

K&B Cabinets Wholesale Center operates on a direct factory model, which plays a key role in keeping their cabinet prices affordable. They work with manufacturers who use advanced technology, ensuring their products meet high-quality standards. This makes K&B Cabinets a top choice for high-quality cabinets at reduced prices. Customers not only save money but also receive expert design advice and personalized customer service throughout their buying journey.

To guarantee both style and durability, K&B Cabinets follows strict quality controls. Their cabinets are crafted from carefully chosen materials, using techniques like dovetail construction, which securely joins plywood panels and wood face frames. Additional features such as soft-closing hinges and smooth full-extension glides add to the usability and appeal of the cabinets.

"We're excited to expand our reach to the Atlanta area," said a representative of K&B Cabinets Wholesale Center. "This step reaffirms our commitment to providing customers with top-notch kitchen and bathroom cabinets at great prices. We're proud to offer a wide range of styles to meet various design preferences."

K&B Cabinets also supports a dealer program that lets businesses nationwide display their products in showrooms, further detailed on their website. This program highlights the company's dedication to partnerships that make its cabinets more accessible.

The representative further shared, "Our mission is to make quality cabinetry both accessible and affordable for everyone, from homeowners to contractors. Expanding our service area is an exciting step towards fulfilling this mission. We want every customer to experience great service and value."

Anyone interested in seeing K&B Cabinets' products can visit their vast 40,000+ square foot warehouse in Norcross. Here, they can explore over 400 different items in each cabinet line for any project. Online visitors can also browse their digital catalog or contact them through their easy-to-navigate website for more details and purchase options.
