August 02, 2024

K&B Cabinets is excited to announce that they are expanding their top-notch kitchen and bathroom cabinet services to homeowners and trade professionals in Atlanta, Georgia, and nearby counties. This expansion will help them offer the best cabinet prices and outstanding quality to more people. Their goal is to deliver a vast inventory and expert craftsmanship to beautify homes across the region.

"Our mission has always been to provide high-quality and affordable cabinet solutions," said a representative from K&B Cabinets. "With this expansion into the broader Atlanta area, including core counties like Fulton, DeKalb, Cobb, Gwinnett, Clayton, and others, we want to make our products accessible to more customers who are looking for stylish and functional kitchen and bathroom fixtures."

Their new service area means that their exclusive K&B Kitchen Cabinets and wholesale bathroom cabinets will be available to a larger audience. Visit their website to read their blog on how to choose the best bathroom cabinets and things to consider when buying affordable kitchen cabinets. They use quality sourced lumber, anti-warp structures, and finished interiors to make their cabinets both practical and beautiful. They offer a variety of styles and finishes, including the popular Elegant Series Soft Touch , which is known for its durability and easy maintenance.

The Elegant Series Soft Touch is a special option from Eurocrafts Cabinetry. This series features finishes that offer a soft feel while being highly durable. Available in four colors - White, Antique White, Arctic Gray, and Black - this series gives any kitchen or bathroom a touch of elegance and sophistication.

"We're excited to add the Elegant Series Soft Touch to our collection," the representative added. "These finishes not only look fantastic but are also very easy to maintain. They are a great choice for busy households."

K&B Cabinets focuses on both variety and quality. Their products use A-grade plywood and feature strong dovetail construction and solid back builds, ensuring they last for years and provide long-lasting value.

EuroCrafts Cabinetry is committed to maintaining high standards of craftsmanship. Each cabinet is carefully built and finished in America, showing their dedication to quality and supporting local manufacturing. They use top-grade materials and expert finishing techniques, resulting in cabinets that are beautiful and durable.

In addition to quality and variety, Eurocrafts Cabinets offers customization options to match different customer preferences. With 24 different styles and options for custom sizing and colors, customers can find the perfect fit for their kitchen or bathroom. This customization allows homeowners to create spaces that match their personal tastes and lifestyles.

Quick delivery and a customer-focused approach are also cornerstones of their service. With fast turnaround times and a commitment to making products tailored to customer needs, they ensure that each project is completed efficiently without sacrificing quality. This focus on customer satisfaction sets them apart in the market.

As a trusted cabinet provider, K&B Cabinets ensures quality, affordability, and a range of choices for customers in Norcross, GA, and now, the wider Atlanta region. Their large warehouse space of over 40,000 square feet holds more than 400 different items in each cabinet line, making sure they have something for every style and budget. Those interested in the dealer program can also explore opportunities to offer K&B Kitchens in their showrooms nationwide.
