Kitchen and Bath Masters Design & Remodeling has expanded its selection of kitchen cabinets and custom bathroom vanities to meet growing demand for home renovations across Northern Virginia communities. The Arlington-based remodeling firm has broadened its product offerings through strategic partnerships with manufacturers including Fabuwood, Waypoint, J&K Cabinetry, 21st Century, TA Cabinetry, Starmark, and Vita Cabinetry.

The expansion addresses increasing homeowner interest in both traditional and contemporary cabinet designs, alongside custom bathroom vanities tailored to individual specifications. With over 40 years of serving the Northern Virginia market, the company has positioned itself to offer enhanced design flexibility for Kitchen remodeling in Arlington VA , projects, and throughout the region.

"The expanded manufacturer partnerships enable us to offer additional design options that address diverse homeowner requirements and preferences," said Isa Pehlivan, spokesperson at Kitchen and Bath Masters Design & Remodeling. "Each partnership was selected based on quality standards and the ability to deliver both aesthetic appeal and functional durability that our clients expect."

The company's showroom at 4788 Langston Blvd in Arlington displays various cabinet styles, countertop materials, and design configurations. The expanded inventory includes options for kitchen renovations, bathroom remodeling services in Arlington VA , and complete home transformations. The bathroom vanities selection specifically addresses current design trends, emphasizing spa-inspired bathrooms and functional storage solutions.

Kitchen and Bath Masters has completed over 100 projects across more than 30 cities within a 30-mile radius of Arlington. The service area includes McLean, Annandale, Fairfax, Burke, Springfield, and Alexandria. The company's team consists of over 15 trained professionals, including five expert designers specializing in personalized design solutions.

Recent industry recognition includes Best of Houzz awards in 2020, 2021, 2023, and 2024, reflecting consistent client satisfaction and design excellence. The company maintains 5.0-star ratings across Google, Yelp, Houzz, and Facebook platforms, based on client feedback regarding project execution and customer service.

The expanded offerings complement the company's existing services, which include basement remodeling in Arlington VA, whole-home renovations, custom closets, and installation of quartz and granite countertops. The firm works with residential clients, real estate professionals, interior designers, and contractors throughout Northern Virginia, Maryland, and Washington D.C.

Kitchen and Bath Masters Design & Remodeling specializes in transforming residential spaces to reflect individual style preferences and functional requirements. The company provides comprehensive remodeling services including design consultation, project planning, demolition, construction, and installation. With four decades of experience in the home renovation industry, the firm has established relationships with suppliers and manufacturers to deliver quality materials and craftsmanship for residential remodeling projects throughout the Northern Virginia region.
