PRESS RELEASE

Kitchen Design Center Fairfax Enhances Bathroom Remodeling Services with Expanded Vanity and Fixture Options

Kitchen Design Center Fairfax

March 19, 2026

Kitchen Design Center Fairfax has expanded its bathroom renovation services to include an enhanced selection of premium vanities, fixtures, and design solutions for homeowners throughout Northern Virginia. The expansion strengthens the company's position as a comprehensive resource for both kitchen and bathroom transformations in the region.

The enhanced service offerings come as demand for Bathroom Remodeling Fairfax continues to grow, with homeowners increasingly seeking professional expertise for creating functional and luxurious bathroom spaces. Kitchen Design Center, known locally as KDC, has responded by broadening its partnerships with leading manufacturers and expanding its showroom displays to showcase the latest trends in bathroom design.

"Our expansion into comprehensive bathroom renovation services reflects our commitment to meeting the evolving needs of Northern Virginia homeowners," said a KDC Fairfax spokesperson. "With over four decades of experience in home remodeling, we understand that bathrooms have become personal retreats, and our enhanced offerings ensure clients can achieve their vision while maintaining practical functionality."

The expanded services encompass complete bathroom transformations, from initial design consultation through final installation. Each KDC bathroom remodel incorporates premium materials, including custom vanities from trusted manufacturers such as Starmark, J&K, and Design Craft. The company's in-house fabrication capabilities enable customized solutions that maximize space efficiency while maintaining aesthetic appeal.

Kitchen Design Center has established itself as a leading KDC remodel contractor in the region, earning multiple Best of Houzz awards for design excellence and client satisfaction from 2020 through 2024. The company's four-step process begins with a complimentary design consultation, followed by design approval, professional remodeling, and project completion with comprehensive quality checks.

The bathroom renovation services include installation of quartz and granite countertops from premier suppliers including Cambria, Silestone, and MSI Surfaces. Each project benefits from the expertise of experienced designers who work closely with clients to select materials, fixtures, and layouts that align with both style preferences and budget considerations.

Beyond aesthetic improvements, the company emphasizes the practical benefits of professional bathroom remodeling, including improved storage solutions, enhanced lighting design, and water-efficient fixtures that reduce utility costs. The team addresses common challenges such as limited space, outdated plumbing, and inadequate ventilation through innovative design solutions tailored to each home's unique requirements.

Kitchen Design Center Fairfax maintains a comprehensive showroom on Lee Highway where clients can explore various design options, material samples, and fixture displays. The facility serves as a resource center where homeowners can visualize potential transformations and receive expert guidance from design professionals.

About Kitchen Design Center Fairfax

Kitchen Design Center is a premier kitchen and bathroom design company serving Fairfax and the greater Northern Virginia region, including Falls Church, Reston, Chantilly, Springfield, Alexandria, Great Falls, Ashburn, and Leesburg. With more than 40 years of industry experience, the company specializes in complete kitchen and bathroom renovations, offering custom cabinetry, premium countertops, and comprehensive design services. KDC provides free estimates and professional installation by licensed contractors, maintaining a commitment to quality craftsmanship and customer satisfaction throughout every project phase.
