PRESS RELEASE

Kitchen Design Center Fairfax Expands Kitchen Remodeling Services to Meet Growing Demand

Kitchen Design Center Fairfax

February 20, 2026

Kitchen Design Center Fairfax has expanded its comprehensive design and renovation services to address increased demand from Northern Virginia homeowners seeking professional kitchen and bathroom transformations. The expansion includes enhanced design consultation capabilities, broader material selections, and streamlined project management processes to serve the growing number of residents pursuing home improvement projects throughout the region.

The Fairfax-based design center has strengthened its Kitchen Remodeling in Fairfax services by incorporating advanced design technologies and expanding partnerships with premium cabinet and countertop manufacturers. The company now offers an extensive selection of materials from authorized brands, including Starmark, Fabuwood, Waypoint, and Design Craft cabinets, alongside premium countertop options from Cambria, Silestone, and MSI Surfaces.

The company's four-step process begins with detailed design consultations where homeowners discuss their vision, budget, and timeline with experienced designers. Following design approval, the remodeling phase commences with professional installation by licensed craftsmen. Each project concludes with a thorough review to ensure complete client satisfaction. This systematic approach has earned the company multiple Best of Houzz awards from 2020 through 2024 and consistently high customer ratings.

Beyond kitchen renovations, the design center provides comprehensive bathroom remodeling services in Fairfax , creating custom vanity solutions that maximize space and functionality. The design team works closely with homeowners to transform ordinary bathrooms into luxurious retreats while maintaining practical considerations for daily use.

"Northern Virginia homeowners are increasingly recognizing the value of professional design expertise when undertaking kitchen and bathroom renovations," said a spokesperson for KDC Fairfax. "Our expanded services allow us to manage every aspect of the remodeling process, from initial design consultation through final installation, ensuring each project meets the highest standards of craftsmanship and design excellence."

The expansion comes as home improvement activity continues to rise across Northern Virginia, with homeowners investing in upgrades that enhance both daily living and property values. Kitchen Design Center serves communities throughout the region, including Falls Church, Reston, Chantilly, Springfield, Alexandria, Great Falls, Ashburn, and Leesburg. The company also specializes in basement remodeling in fairfax, helping homeowners maximize their living space through thoughtful design and quality construction.

Kitchen Design Center brings over 40 years of experience in home design and remodeling to Northern Virginia residents. The company maintains a showroom on Lee Highway in Fairfax, where homeowners can explore cabinet displays, countertop samples, and design concepts. As an authorized distributor for leading cabinet manufacturers and a partner with top countertop suppliers, the company provides access to quality materials designed to last for decades. The design center offers free consultations and estimates, helping homeowners navigate the remodeling process with professional guidance and expertise.
