PRESS RELEASE

NextDAY Cabinets Alexandria Showroom Expands RTA Cabinet Solutions for Professional Contractors

NextDAY Cabinets Alexandria Showroom

November 28, 2025

NextDAY Cabinets Alexandria Showroom has enhanced its wholesale cabinet offerings to better serve professional contractors, builders, and dealers throughout the Northern Virginia and DC Metro region. The expansion focuses on providing faster lead times and comprehensive design support for commercial and residential projects requiring high-quality cabinetry solutions.

The Alexandria location, situated at 5655 General Washington Drive, now offers an extensive selection of ready-to-assemble (RTA Cabinets) alongside traditional framed and frameless options from leading manufacturers. This expanded inventory enables contractors to access KCMA-certified products with typical lead times of just three to five days, addressing the growing demand for rapid project completion in the competitive construction market.

"Professional contractors need reliable partners who can deliver quality products quickly without compromising on craftsmanship," said a spokesperson for NextDAY Cabinets Alexandria Showroom. "Our enhanced inventory and streamlined ordering process allow builders to maintain project timelines while accessing factory-direct pricing that helps them stay competitive on bids."

The Cabinet Store Alexandria has positioned itself as a comprehensive resource for trade professionals by offering complimentary 3D kitchen design services. These professional design consultations help contractors present detailed visualizations to their clients, facilitating faster approval processes and reducing project revision cycles. The showroom displays products from nine premium brands including Shiloh Cabinetry, Forevermark Cabinets, Mantra Cabinets, Waypoint Cabinets, and Wolf Home Products.

Beyond traditional cabinet offerings, the Alexandria facility provides bathroom vanities, storage solutions, and flooring options from MSI and Shaw Flooring. This comprehensive product range allows contractors to source multiple project components from a single supplier, simplifying logistics and potentially qualifying for volume discounts through the company's dealer program.

The showroom serves Alexandria and surrounding Northern Virginia communities including Arlington, Falls Church, Annandale, Springfield, Fairfax, Burke, Lorton, and Mount Vernon. Both warehouse pickup and job site delivery options accommodate varying project requirements and contractor preferences.

All Kitchen Cabinets Alexandria feature 100 percent solid wood construction and carry KCMA certification, ensuring durability and environmental safety standards that meet commercial and residential building requirements. The company maintains factory-direct relationships with manufacturers, eliminating intermediary markups and passing cost savings to professional buyers.

The Alexandria location operates Monday through Friday from 8:00 a.m. to 5:00 p.m., with Saturday hours from 10:00 a.m. to 2:00 p.m., accommodating contractor schedules that often extend beyond traditional business hours.

NextDAY Cabinets operates six showroom locations throughout the region, including facilities in Chantilly, Woodbridge, Richmond, Beltsville, and Chicago. The company specializes in serving the wholesale market, focusing on contractors, dealers, and builders who require consistent quality, competitive pricing, and reliable delivery schedules for their cabinet installation projects.
