PRESS RELEASE

NextDAY Cabinets Alexandria Showroom Partners with Kith Kitchens to Expand Cabinetry Distribution

NextDAY Cabinets Alexandria Showroom

November 06, 2025

NextDAY Cabinets Alexandria Showroom announces a strategic partnership with Kith Kitchens, a family-owned cabinet manufacturer with 27 years of industry experience, to enhance premium cabinetry access for contractors, dealers, and builders throughout the Mid-Atlantic and Chicago markets.

The partnership combines NextDay Cabinets' established wholesale distribution network with Kith Kitchens' advanced manufacturing capabilities and premium product lines, including KITH, Eudora, KithOne, and Mouser Cabinetry brands. This collaboration addresses growing demand from trade professionals seeking competitive pricing on high-quality, all-wood cabinetry with rapid fulfillment capabilities.

"This partnership represents a significant advancement in how we serve the professional construction and renovation community," said a spokesperson for NextDAY Cabinets Alexandria Showroom. "By combining Kith Kitchens' manufacturing excellence with our distribution efficiency and 3-5 day lead times, we're creating unprecedented value for contractors and builders who need reliable access to custom cabinets without compromising on quality or timeline."

The collaboration leverages NextDay Cabinets' six strategic showroom locations across Chantilly, Alexandria, Beltsville, Richmond, Woodbridge, and Chicago, providing trade professionals with convenient access to view products and utilize professional design services. The Alexandria facility serves as a key hub for Kitchen Cabinets Alexandria distribution, offering same-day pickup and delivery options for qualified trade partners.

Kith Kitchens brings nearly three decades of manufacturing expertise to the partnership, having built its reputation on integrity and relationship-building since 1998. The company's modern manufacturing facilities employ advanced automation technology to ensure consistent quality across its diverse product lines while maintaining the craftsmanship standards that professional installers require.

The partnership particularly benefits multi-family project developers and commercial contractors who require volume pricing and reliable supply chains. Trade professionals gain access to factory-direct pricing through NextDay Cabinets' established dealer program, which includes professional 3D kitchen and bathroom design services to support project planning and client presentations.

Beyond kitchen cabinetry, the expanded partnership encompasses bathroom vanities, storage solutions, and complementary products from leading brands, including Shiloh Cabinetry, Forevermark Cabinets, Mantra Cabinets, and Waypoint Cabinets. The companies also provide flooring solutions from MSI and Shaw Flooring, enabling contractors to source multiple project components through a single wholesale partner.

The strategic alliance addresses current market challenges facing trade professionals, including supply chain disruptions and extended lead times from traditional suppliers. By maintaining extensive inventory and offering flexible fulfillment options, the partnership ensures contractors can meet project deadlines while accessing competitive wholesale pricing typically reserved for larger volume purchases.
