PRESS RELEASE

# NextDAY Cabinets Partners with Kith Kitchens to Expand Trade Services

NextDAY Cabinets Beltsville Showroom

November 07, 2025

NextDAY Cabinets Beltsville Showroom announces a strategic partnership with Kith Kitchens, combining wholesale distribution expertise with premium manufacturing capabilities to better serve contractors, dealers, and builders throughout the Mid-Atlantic and Chicago markets.

The partnership brings together NextDAY Cabinets' established wholesale distribution network and Kith Kitchens' 27-year manufacturing heritage, creating enhanced value for trade professionals seeking quality cabinetry solutions. The collaboration enables contractors and builders to access an expanded portfolio of all-wood cabinet options with competitive factory-direct pricing and expedited fulfillment.

NextDAY Wholesale Cabinets operates six showroom locations across Alexandria, Beltsville, Chantilly, Chicago, Richmond, and Woodbridge, providing trade professionals with convenient access to product displays and professional design services. The company specializes in serving contractors, dealers, and multi-family project developers with guaranteed lowest pricing and 3-5 day lead times.

"This partnership represents a significant advancement in how we serve the professional building community," said a NextDAY Cabinets spokesperson. "By combining our distribution efficiency with Kith Kitchens' manufacturing excellence, we can deliver superior value to contractors who demand both quality and competitive pricing. Our trade partners now have access to an even broader range of premium cabinet solutions while maintaining the fast turnaround times their projects require."

Kith Kitchens, family-owned since 1998, brings advanced manufacturing capabilities and multiple product lines, including KITH, Eudora, KithOne, and Mouser Cabinetry. The company's modern production facilities utilize advanced automation technology to ensure consistent quality and craftsmanship across all product lines.

The partnership addresses growing demand for Wholesale Cabinets in Beltsville and surrounding markets, where contractors increasingly seek reliable suppliers capable of supporting both residential and commercial projects. Trade professionals can leverage same-day pickup or delivery options, along with professional kitchen and bathroom design services to streamline project planning and execution.

Contractors and builders working on multi-family developments will particularly benefit from the expanded product accessibility and distribution efficiency created by this collaboration. The combined resources enable more competitive pricing structures while maintaining the 100% solid wood construction standards that define both companies' product offerings.

NextDAY Cabinets maintains its focus on serving trade professionals exclusively, offering dealer programs and specialized support for contractors managing multiple projects. The company's professional 3D kitchen design services help contractors present comprehensive proposals to their clients while ensuring accurate project specifications and material requirements.

The Beltsville showroom continues to serve as a key resource center for trade professionals seeking Custom Kitchen Cabinets Beltsville solutions. The facility showcases over 40 decorative wood hood options, custom furniture vanities, and nine distinct cabinet styles from various premium brands, including Shiloh Cabinetry, Forevermark Cabinets, Mantra Cabinets, and Wolf Home Products.
