

NextDAY Cabinets Richmond Expands RTA Cabinets Selection to Better Serve Contractors and Builders

NextDAY Cabinets Richmond Showroom · June 24, 2024

NextDAY Cabinets Richmond, a major wholesale distributor of all-wood kitchen cabinets and vanities, is widening its selection of Ready-to-Assemble (RTA) cabinets. This move aims to better serve contractors, dealers, and builders in the Richmond area. Known for its affordable yet high-quality products, NextDAY Cabinets aims to provide durable cabinetry solutions with quick lead times.

Jeffrey Thompson, CEO of NextDAY Cabinets, stated, "Our commitment to providing top-quality RTA cabinets at competitive prices continues to drive our growth. With this expansion in Richmond, we are better positioned to meet the increasing demands of our contractors and builders."

Customers visiting the Richmond showroom can expect a wide range of RTA cabinets from top brands like Forevermark Cabinetry, Norcraft Cabinetry, Echelon Cabinetry, and Wolf Home Products. The variety includes different styles, sizes, and finishes, ensuring there's something for every project, whether it's new construction or renovation. This local presence allows customers to see and touch the products, making their purchasing decisions easier. Those interested in exploring the entire range of cabinetry can find more options on their cabinets page.

NextDAY Cabinets Richmond prides itself on offering wholesale prices and fast lead times. Quick availability is crucial in the construction and remodeling industries, where delays can impact project timelines and costs. The company ensures that NextDAY Cabinets are available within 3-5 days, keeping projects on track. They also offer a comprehensive selection of kitchen accessories such as sinks and knobs pulls, which are essential for the functionality and aesthetics of a kitchen.

The Richmond expansion also includes professional 3D kitchen design services. This helps contractors and builders visualize their projects and ensures that the selected cabinetry fits into the planned spaces. This design support is key for creating efficient and attractive kitchen layouts.

"Our goal is to provide comprehensive solutions to our clients," said Linda Martinez, Director of Sales at NextDAY Cabinets Richmond. "By expanding our RTA cabinet offerings and supporting our customers with design services, we aim to be the preferred partner for their cabinetry needs."

In addition to kitchen cabinets, NextDAY Cabinets offers a variety of bathroom products including accessories, bathtubs, faucets, mirrors, shower doors, shower fixtures, and toilets. Their broad product range meets various client needs, from residential to commercial projects. They also offer a variety of flooring solutions from brands like MSI and Shaw Flooring and provide delivery services to ensure products arrive safely and on time.

The Richmond showroom is one of six local showrooms in the Virginia region, making it easy for customers to explore their wide range of products. This regional presence shows NextDAY Cabinets' commitment to accessibility and customer service.

NextDAY Cabinets Richmond also focuses on strengthening relationships with its B2B market. They offer professional contractors exclusive access to stylish and durable RTA cabinets, catering to the diverse needs of the construction and remodeling industries. Their attention to quality and service ensures that clients receive top-notch solutions for their projects.

NextDAY Cabinets Richmond is committed to maintaining high customer satisfaction. Their flexible options and tailored solutions help each client find products that meet their specific needs. This customer-centric approach has helped build the company's reputation as a trusted industry partner.
