PRESS RELEASE

NextDAY Cabinets Richmond Showroom Expands Custom Cabinet Solutions for Regional Contractors

NextDAY Cabinets Richmond Showroom

March 16, 2026

NextDAY Cabinets Richmond Showroom has expanded its wholesale cabinet distribution services to better serve contractors, dealers, and builders throughout the Richmond metropolitan area. The expansion includes enhanced professional 3D design services and an increased inventory of KCMA-certified cabinetry from leading manufacturers.

The Richmond showroom, located at 3985 Deep Rock Road, now offers contractors and building professionals access to an extensive selection of all-wood kitchen cabinets and bathroom vanities with industry-leading 3-5 day lead times. The facility serves as a central hub for trade professionals seeking Custom Cabinets solutions for residential and multi-family projects throughout Richmond, Henrico, Midlothian, and surrounding Virginia communities.

"Our expansion allows us to better support the growing needs of Richmond-area contractors and builders who require reliable access to quality cabinetry with fast turnaround times," said a spokesperson for NextDAY Cabinets Richmond. "By maintaining extensive inventory and offering professional design services at no additional cost, we help trade professionals complete projects efficiently while maintaining competitive pricing for their clients."

The showroom features products from nine major cabinet manufacturers, including Crestwood Cabinets, Decora Cabinets, Forevermark Cabinets, Mantra Cabinets, Marsh Furniture, Nations Cabinets, Waypoint Cabinets, and Wolf Home Products. Each brand offers various styles ranging from traditional to contemporary designs, with both framed and frameless construction options available.

Nextday Wholesale Cabinets distinguishes itself through factory-direct pricing that eliminates middleman markups, allowing contractors to access premium cabinetry at competitive rates. The company's volume discount programs provide additional savings for dealers and contractors managing multiple projects. All cabinets feature 100 percent solid wood construction and carry KCMA certification, ensuring durability and environmental safety standards.

The Richmond location's professional design team utilizes advanced 3D kitchen design tools to help contractors and their clients visualize proposed installations before ordering. This complimentary service helps reduce project delays and ensures accurate specifications for each installation. Cabinet door samples are available for assessment, allowing contractors to present options to clients with confidence.

Beyond Nextday Kitchen Cabinets , the showroom offers comprehensive solutions including bathroom vanities from Hardware Resources and Aksesuar Design, flooring options from MSI and Shaw Flooring, and a full range of accessories such as sinks, hardware, and organizational systems. The expanded inventory enables contractors to source complete project materials from a single location.

The facility operates Monday through Friday from 8:00 a.m. to 5:00 p.m., with Saturday hours from 10:00 a.m. to 2:00 p.m. to accommodate contractor schedules. Both warehouse pickup and job site delivery options are available, providing flexibility for projects of all sizes.

NextDAY Cabinets Richmond Showroom is part of the NextDAY Cabinets network, which operates six showroom locations throughout the Mid-Atlantic region. The company specializes in serving the wholesale market, focusing exclusively on trade professionals including contractors, dealers, builders, and multi-family project developers. The Richmond location has established itself as a trusted resource for construction professionals seeking reliable cabinet solutions with guaranteed lowest prices and exceptional service.
