NextDAY Cabinets Richmond Showroom announces a strategic partnership with Kith Kitchens, a family-owned cabinet manufacturer with 27 years of experience, to enhance wholesale cabinet distribution services for contractors, dealers, and builders throughout the Mid-Atlantic and Chicago markets.

The partnership combines NextDAY Cabinets' established wholesale distribution network with Kith Kitchens' premium manufacturing capabilities, creating expanded product accessibility and competitive pricing advantages for trade professionals. The collaboration enables both companies to leverage their complementary strengths in serving the professional construction and renovation industry.

NextDAY Cabinets operates as a wholesale distributor specializing in all-wood kitchen cabinets and vanities, maintaining showroom locations in Chantilly, Alexandria, Beltsville, Richmond, and Chicago. The company provides factory-direct pricing with 3-5 day lead times, along with professional 3D kitchen design services and flexible delivery options for contractors and builders.

Kith Kitchens brings nearly three decades of cabinet manufacturing expertise to the partnership, operating modern production facilities with advanced automation technology. The company manufactures multiple product lines, including KITH, Eudora, KithOne, and Mouser Cabinetry, all focused on premium craftsmanship and quality construction.

"This partnership represents a significant advancement in how we serve trade professionals seeking Wholesale Cabinets in Richmond ," said a spokesperson from NextDAY Cabinets Richmond. "By combining our distribution efficiency with Kith Kitchens' manufacturing excellence, we can provide contractors and builders with enhanced product selection, competitive pricing, and the reliability they need for successful project completion."

The partnership addresses growing demand from multi-family project developers and commercial contractors who require consistent quality, reliable delivery schedules, and professional support services. Both companies share a commitment to serving trade professionals exclusively, focusing on B2B relationships rather than retail sales.

NextDAY Cabinets' Richmond showroom serves as a key location for contractors and builders to view product samples, work with design professionals, and coordinate project specifications. The facility offers same-day pickup options and delivery services to job sites throughout the region, supporting efficient project timelines for construction professionals.

NextDAY Cabinets Richmond Showroom continues to operate as the Best Cabinet Store in Richmond for trade professionals, offering comprehensive product selections, design services, and logistical support. The company's focus on 100% solid wood construction and KCMA-certified products ensures durability and quality for professional installations.

The collaboration enhances product offerings available through NextDAY Cabinets' distribution network, which already includes brands such as Crestwood, Decora, Forevermark, Mantra, Marsh Furniture, Nations, Waypoint, and Wolf Home Products.
