PRESS RELEASE

# The UniqHouse Norcross Announces Expanded Bathroom Remodeling Services Across Atlanta Metropolitan Area

The UniqHouse Norcross

November 12, 2025

The UniqHouse Norcross, an award-winning home remodeling company with over 15 years of experience, announces the expansion of its comprehensive remodeling services throughout the Atlanta metropolitan area, including specialized bathroom and kitchen renovation solutions for homeowners in Alpharetta, Johns Creek, Milton, Sandy Springs, and surrounding communities.

The company, which operates showrooms in both Norcross and Roswell, has established itself as a full-service remodeling contractor offering kitchen renovations, bathroom transformations, and basement finishing services. The expansion reflects growing demand for professional home renovation services in the greater Atlanta region, where homeowners increasingly seek experienced contractors who can manage complete projects from design through installation.

"The Atlanta market continues to show strong interest in home improvement projects, particularly in Bathroom Remodeling Norcross Atlanta areas where property values benefit from quality renovations," said a spokesperson for The UniqHouse Norcross. "Our approach combines detailed planning with expert craftsmanship to deliver transformations that enhance both functionality and aesthetic appeal while maintaining reasonable pricing for homeowners."

The company's service expansion addresses the needs of homeowners seeking comprehensive renovation solutions without the complexity of coordinating multiple contractors. Each project includes professional design consultation, material selection assistance, permit management, and installation services. The UniqHouse maintains partnerships with established kitchen and bath manufacturers across the United States, providing clients access to quality materials and contemporary design options.

Recent industry data indicates that bathroom and kitchen renovations remain among the most valuable home improvements for property owners. The National Association of Realtors reports that these renovations typically recover 60 to 80 percent of their cost at resale, making them practical investments for homeowners planning to remain in their properties or prepare for future sales.

The UniqHouse's renovation process begins with complimentary design consultations where homeowners discuss their vision and requirements with experienced designers. The company utilizes 3D design technology to help clients visualize proposed changes before construction begins. Services include complete kitchen remodeling projects, Bathroom Vanity Norcross Atlanta installations, and basement finishing solutions tailored to individual household needs.

The company has received multiple industry recognitions, including Best of Houzz awards in 2023, 2022, 2020, 2019, and 2018. These acknowledgments reflect the company's commitment to design excellence and customer satisfaction across its service areas, which now include Alpharetta, Johns Creek, Milton, Sandy Springs, Dunwoody, Woodstock, Marietta, Norcross, Cumming, Mountain Park, and Roswell.

Each remodeling project is managed by dedicated project managers who coordinate all aspects of the renovation, from initial measurements through final installation. The company employs in-house craftsmen rather than subcontractors, maintaining quality control throughout the renovation process. All work includes a 12-month warranty from the original date of purchase.
