The UniqHouse Norcross

July 01, 2024

The UniqHouse, a well-known remodeling company, is expanding its services in the Atlanta metropolitan area, especially focusing on their branch in Norcross. This move will meet the growing demand for high-quality renovation services in the region.

With over 15 years of experience, The UniqHouse has consistently delivered outstanding kitchen remodeling services. Their expertise in this area blends intricate design with functional excellence, bringing homeowners closer to their dream kitchens. The UniqHouse has earned multiple Best of Houzz awards, showcasing their commitment to quality and customer satisfaction.

The Norcross branch of The UniqHouse is ready to offer personalized kitchen remodeling services tailored to each customer's needs. They combine functionality with aesthetic appeal, ensuring every project meets the customer’s vision. The Norcross branch aims to strengthen the company’s presence in the local market by providing creative and reliable solutions to homeowners.

The UniqHouse offers a range of home renovation services, including bathroom remodeling, basement finishing, and complete home makeovers. These services are available to residents in Norcross and surrounding areas like Alpharetta, Johns Creek, Milton, Sandy Springs, Dunwoody, Woodstock, Marietta, Cumming, Mountain Park, and Roswell.

"The decision to expand our services in Norcross and the surrounding areas comes from our desire to bring high-quality remodeling services closer to our clients," said a representative of The UniqHouse Norcross. "Our goal is to transform homes by providing solutions that combine practical craftsmanship with artistic design."

Besides standard remodeling, The UniqHouse offers bespoke solutions tailored to individual needs. Their attention to detail ensures each project is completed to the highest standards. The showroom at The UniqHouse Norcross allows homeowners to explore various design options and consult with experts for free.

The UniqHouse is proud of its commitment to sustainability and responsible sourcing. The company works with trusted Kitchen & Bath companies in the USA, ensuring all materials meet high-quality and safety standards. This commitment to excellence has earned them recognition throughout the remodeling industry.

A key feature of The UniqHouse’s service is their comprehensive project management. From the initial consultation to project completion, the team ensures every aspect of the remodel is handled smoothly. This full-service approach includes design, planning, sourcing materials, and execution, with constant updates provided to the homeowner.

"The additional services we are introducing in the Atlanta metropolitan area allow us to better serve our customers," said the representative. "By expanding our operations, we can bring the same level of dedication and expertise to more homes, enhancing the living experience for many families."

Moreover, The UniqHouse offers a 12-month warranty on all work from the original date of purchase, giving clients peace of mind long after the project is completed. This warranty, combined with their high standards, sets The UniqHouse apart from other remodeling companies.

Residents of Norcross and the specified service areas can now benefit from this enhanced offering. Whether a homeowner wants to revamp their kitchen, remodel their bathroom, or transform a basement, The UniqHouse Norcross GA has the expertise to make it happen.
