PRESS RELEASE

The UniqHouse Roswell Announces Expanded Kitchen Remodeling Services Across North Fulton Communities

The UniqHouse Roswell

December 02, 2025

The UniqHouse Roswell, a design and remodeling company with over 15 years of experience, announces expanded service availability for comprehensive home renovation projects throughout North Fulton County and surrounding Atlanta metro communities. The company's showroom at 880 Old Holcomb Bridge Road continues to serve as a central hub for homeowners seeking professional Kitchen Remodeling Roswell services and complete home transformation solutions.

The expansion addresses growing demand for professional remodeling services across Alpharetta, Johns Creek, Milton, Sandy Springs, Dunwoody, Woodstock, Marietta, Norcross, Cumming, Mountain Park, and Atlanta. The company specializes in kitchen, bathroom, and basement renovations, offering tailored design solutions that combine functional efficiency with aesthetic appeal.

"Our commitment to North Fulton homeowners extends beyond traditional remodeling services," said a spokesperson for The UniqHouse Roswell. "We focus on creating spaces that reflect each client's unique style while ensuring functionality for daily family life. Our design team works closely with homeowners to transform their vision into reality, whether they're updating a single Bathroom Cabinet or undertaking a complete home renovation."

The company has earned multiple Best of Houzz awards, including recognition in 2018, 2019, 2020, 2022, and 2023, demonstrating consistent excellence in design and customer service. The Roswell showroom features extensive displays of premium cabinetry options from leading manufacturers including Showplace Cabinetry, Kemper Cabinetry, and Fabuwood Cabinetry, allowing clients to explore various design possibilities firsthand.

The UniqHouse Roswell's comprehensive approach includes coordinated services spanning painting, tiling, flooring, plumbing, electrical work, and custom carpentry. Each project begins with a free professional design consultation where experienced designers work with homeowners to develop personalized solutions. The company utilizes advanced 3D design technology, enabling clients to visualize their renovated spaces before construction begins.

For Bathroom Remodling Roswell projects, the company emphasizes creating peaceful, spa-like environments that serve as personal retreats within the home. Their bathroom renovation expertise includes custom vanity installations, fixture upgrades, and complete bathroom transformations designed to increase both comfort and property value.

The company's basement finishing services help homeowners maximize their living space by converting underutilized areas into functional rooms for entertainment, work, or relaxation. This comprehensive service offering positions The UniqHouse Roswell as a single-source solution for all home remodeling needs.

All projects include a 12-month warranty from the original purchase date, providing homeowners with peace of mind regarding their investment. The company's licensed and insured team maintains high standards of workmanship while adhering to project timelines and budgets.

The UniqHouse Roswell operates as a full-service design-build general contractor, managing every aspect of the remodeling process from initial concept through final installation. This integrated approach eliminates the complexity often associated with home renovations, ensuring a streamlined experience for homeowners throughout North Fulton County and the greater Atlanta metropolitan area.
