PRESS RELEASE

The UniqHouse Roswell Expands Kitchen Remodeling Services Across Metro Atlanta

The UniqHouse Roswell

November 12, 2025

The UniqHouse Roswell, a full-service home renovation company with over 15 years of experience, announces expanded remodeling services throughout the greater Atlanta metropolitan area, including Alpharetta, Johns Creek, Milton, Sandy Springs, Dunwoody, Woodstock, Marietta, Norcross, Cumming, and Mountain Park. The company specializes in comprehensive kitchen, bathroom, and basement transformations, offering integrated design and construction services from a single provider.

The expansion comes as homeowners increasingly seek streamlined renovation solutions that eliminate the complexity of coordinating multiple contractors. The UniqHouse Roswell provides complete project management, from initial design consultation through final installation, utilizing in-house craftsmen and dedicated project managers for each renovation.

"Homeowners deserve a renovation experience that transforms not just their spaces, but their entire approach to home improvement," said a spokesperson for The UniqHouse Roswell. "Our integrated service model means clients work with one team throughout their project, whether they need Kitchen Remodeling Roswell Atlanta services or complete home transformations. This approach significantly reduces the stress and uncertainty that often accompanies major home renovations."

The company has earned recognition within the industry, receiving Best of Houzz awards in 2018, 2019, 2020, 2022, and 2023. These accolades reflect the company's commitment to design excellence and customer satisfaction across all service categories.

The UniqHouse Roswell offers free design consultations and 3D visualization services, allowing homeowners to preview their renovated spaces before construction begins. This technology-driven approach helps ensure that final results align with client expectations and design preferences. The company's Cabinet Shop Roswell Atlanta provides custom cabinetry solutions tailored to each project's specific requirements and aesthetic goals.

The UniqHouse Roswell maintains partnerships with established kitchen and bath manufacturers throughout the United States, ensuring access to quality materials and innovative design solutions. All work includes a 12-month warranty from the original purchase date, providing additional assurance to homeowners investing in significant renovation projects.

Beyond kitchen renovations, the company provides comprehensive Bathroom Remodeling Roswell Atlanta services, focusing on creating functional spaces that enhance daily routines. Basement finishing represents another core service area, with the company transforming underutilized spaces into valuable living areas that increase both home functionality and property value.

The company employs licensed and insured professionals who handle all aspects of the renovation process, including permit acquisition, material selection, and installation. This comprehensive approach distinguishes The UniqHouse Roswell from contractors who may specialize in only one aspect of home renovation.

The UniqHouse Roswell operates from its showroom location in Roswell, Georgia, where homeowners can view material samples, explore design options, and meet with design consultants. The company has built its reputation on delivering quality craftsmanship at competitive prices while maintaining transparent communication throughout each project phase. With expertise spanning kitchen remodeling, bathroom renovation, basement finishing, and complete home transformations, The UniqHouse Roswell continues to serve residential clients throughout the Atlanta metropolitan area.
