PRESS RELEASE

Cabinet Boost Unveils AI-Powered Marketing at KBIS 2025, Powered By UPMAX

UPMAX Digital Marketing Growth Partner

February 25, 2025

Cabinet Boost Powered By UPMAX is ready to make a splash at the Kitchen & Bath Industry Show (KBIS) 2025. Taking place from February 25-27, 2025, in Las Vegas, NV, this event will feature Cabinet Boost unveiling its AI-focused marketing strategies tailored specifically for the cabinet sector. Attendees can find them at Booth #SL3205 in the South Hall. Their participation highlights a strong dedication to helping B2B clients—like contractors, designers, and cabinet retailers in Southern California—expand their market reach and grow their businesses.

By teaming up with UPMAX Digital Marketing Agency, Cabinet Boost aims to strengthen the abilities of businesses in areas like cabinet making, remodeling, and home services. UPMAX is renowned for its comprehensive digital marketing solutions that include paid ads management and marketing automation. By managing over $2 million in paid advertising campaigns, UPMAX demonstrates unparalleled expertise in maximizing ROI for cabinet businesses. Their marketing automation services streamline cumbersome tasks, allowing businesses to focus more on growth and customer engagement.

They offer a full suite of digital marketing solutions, including search engine optimization, strategic paid ads, custom web design, and skilled social media management. UPMAX's expertise in SEO is pivotal for increasing online visibility, featuring integrated services such as on-page and off-page SEO to elevate customer reach. Their custom web design services ensure that businesses have visually appealing and user-friendly websites that are also technically optimized for search engines. Furthermore, effective social media management amplifies brand visibility and engagement across platforms. Their focus on cabinetry marketing, remodeling marketing, and wholesale cabinetry marketing services is all about delivering outstanding value to clients in the region.

Sezgin Arslan, a prominent figure at UPMAX, shared his enthusiasm about the upcoming display, saying, "We are thrilled to introduce Cabinet Boost Powered By UPMAX at the KBIS 2025 event. Our AI-driven marketing solutions are designed to generate substantial value for cabinetry businesses. By attending, guests will have the opportunity to explore our expertise in reducing lead costs and expanding market presence. It's an exciting time for us and our clients."

Attendees at KBIS 2025 will have the chance to see Cabinet Boost's advanced tools in action. These include AI-driven lead generation and custom customer relationship management (CRM) integration. They're planning to book 20 showroom appointments in just 90 days thanks to these tools. Their booth will feature live demonstrations of effective marketing techniques, like targeted paid advertising and SEO optimization specifically for the cabinet industry. This hands-on experience is set to help attendees gain key insights into how to effectively grow their businesses.

Cabinet Boost's strategic location in the South Hall is set to provide valuable face-to-face strategy sessions. Experts from Cabinet Boost will be on hand to discuss and tailor solutions for visitors, focusing on strategies to expand within the cabinet industry. Being a recognized partner of Google, Yelp, and Meta, Cabinet Boost is known for significantly lowering lead costs for cabinet companies, achieving a strong local market presence.

Beyond showcasing their marketing skills, Cabinet Boost is offering attendees a special opportunity to obtain a free KBIS 2025 ticket for our guests . Use the promo code EXIV880135 to claim your spot at this prestigious event. This offer aligns with Cabinet Boost's objective of fully supporting cabinetry and remodeling businesses, giving them access to industry events that drive growth and innovation.

In Sezgin Arslan's view, "The partnership between Cabinet Boost and UPMAX represents a fusion of digital marketing expertise and a deep understanding of the cabinet industry's unique needs. We are committed to driving success for our clients in Southern California and beyond, transforming challenges into opportunities for sustainable growth and market leadership."

As Cabinet Boost Powered By UPMAX preps for KBIS 2025, their novel approach sets them apart as a key partner for cabinetry businesses aiming for growth and efficiency in a competitive field. By enhancing their digital marketing strategies, Cabinet Boost emphasizes its commitment to uplifting the success of its clients in places like Los Angeles, Orange County, San Diego, and other important areas.

With Cabinet Boost at South Hall and a free KBIS 2025 ticket for our guests, this event is sure to be a valuable experience for everyone involved. It promises opportunities for both learning and collaboration in the cabinet and remodeling industry. The joint effort of Cabinet Boost and UPMAX Digital Marketing Agency guarantees that industry pros can leverage AI to meet their business targets, ensuring comprehensive strategies that incorporate web accessibility solutions in line with ADA and WCAG standards.
